

SUPERTEX AS COVERALL

White

Size S-4XL

SDS-60101-7

ABOUT THIS PRODUCT

Our Supertex AS antistatic disposable coverall is engineered for both protection and comfort in demanding settings. It provides robust defence against airborne solid particles, liquid splashes, and radioactive contamination while offering electrostatic dissipate properties. Despite its durability, the coverall is lightweight, ensuring wearer comfort. It features a generous fit for easy layering over work clothes and is made from breathable, antistatic SMS fabric that meets Type 5 and 6 protection standards. Certified to CE-CAT III, it includes an elasticated hood, ankles, cuffs and waist, along with a two-way zipper for quick access.
